Stanningfield Village Hall Restoration Appeal

Fantastic progress has been made with our appeal, Just before Christmas we received confirmation that the "Rural Initiative Grant Scheme" had approved our application for support and awarded us **£4,000** towards the restoration fund bringing the total to **£12,500** against our target of **£20,000**. We have another grant application lodged to the value of **£8,000**. A decision on this grant will be made by the end of January. We will continue to make further applications for grants and support over the coming weeks.

Following the Village Open Meeting held on Monday 27th October, it was decided that the hall should be clad in a grey UPVC boarding with white UPVC windows fitted. We have gone ahead and obtained quotes, which have come in around £20,000, so we are on track for the work to be carried out in the Spring this year.
